

Model farmer

Brenda Kaseke

Galloway Park Norton Zimbabwe

Mrs Kaseke is a nature lover and a wildlife enthusiast who holds a Bsc in Wildlife Management from the Midlands State University. She is also a passionate organic vegetable farmer with practical and proven experience in Greenhouse and open - field horticulture. In addition to that, she also has experience in commercial cattle farming.

She is tackling food insecurity head - on and supplying a number of Harare's mainstream retail outlets with fresh vegetables. A mentoring and engaging lady, young people can learn a lot from her in starting and establishing their businesses.

She is a go-getter and an organized agribusiness mind. In her own words, “ Women can!! “
